Date: Thursday, March 21, 2013 8:55:12 AM

Chase,

I think we can start at 10 to 10:30 eastern and end at 3 pm. Let me know if you want to meet in Detroit or in Benton Harbor, MI. If you want to meet in Benton Harbor Paul B. can get the conference room for you at the MDOT facility.

Also, we are going to need some sort of agenda to maximize our time. Both MDEQ and EPA will be bringing their technical teams. Obviously, we want to make as much progress as possible before 4/21.

Jim

Jim,

What time would you propose for our meeting on the third?

L. Chase Fortenberry, P.G.
